## The Foundation

Through the years, support of the Hamilton Memorial Hospital Foundation has enabled us to build a modern healthcare facility to serve our communities, purchase vital medical equipment, and provide scholarships to local students pursuing careers in healthcare.

Last year, the annual Hamilton Memorial Hospital Foundation Golf Scramble raised over \$6,000 that was used to fund scholarships for local high school seniors aspiring to work in healthcare from Hamilton County Senior High, Carmi White County High School, Norris City-Omaha-Enfield High School, and local homeschool students.

*We sincerely appreciate your continued support of our annual golf scramble and thank you for considering supporting this event.*
